EDITORIAL

Drug Analytical Research publishes its first issue of 2024, which is composed by a review and original articles submited from national and international research groups. All efforts that have been made by the Editorial Team to improve journal's visibility and trust are comming true, even in the drammatically moment that *Rio Grande do Sul* is facing. In this context, we would like to express our gratitude to prof. Martin Steppe, the first DAR Editor-in-Chief, for his dedication in the establishment of the journal and for keeping with us as Associate Editor.

We wish you all an excellent reading!
